

Going Green

In order to save the steel league and member clubs money as well as the environment we would like to use the internet.

If you do not have / use a computer we will still send out the scores via USPS. (snail mail)

If you have a computer please provide your email address via sending me an email to thbenjamin@comcast.net. I will add you to my email list. If you have in the past please resend it again as some email addresses are no longer valid as they (emails) bounce when I have tried them in the past.

Scores are also posted to the Steel Shooters Web page as well as Topton Fish and Games Web page.

I will have a hard copy of scores at the next match for those who require one. Pay backs will have a hard copy with the \$\$\$.

Thanks

Tom Benjamin
